

## STANDARD REPAIR STRIPS

Fusion Standard Repair Strips are ideal for the repair of puncture or gouge damage, to the conveyor belt cover as well as longitudinal rips.

### FEATURES

- Won't damage the conveyor belt
- Allows the belt to be back in service in a matter of hours
- The repair may last as long as the original belt remains in service
- All strips feature a bonding layer which offers unrivalled adhesion to the conveyor belt
- Repair strips are available in various widths
- Optional fabric reinforcement available
