

# EDGE PRESS

The ALMEX Edge Repair Press is designed to restore belt edges to their original quality. Increasing the integrity and life of the conveyor belt and the systems it encounters.

## FEATURES:

- Several platen sizes available for all belt widths
- Available in multiple voltages
- Suitable for all rubber belt types
- Integral water cooling
- Lightweight aluminum construction for maneuverability
- Two units can be placed end to end to repair longer sections
- Custom engineered models available
