

ALMEX WINCH

The **Almex Winch** is designed specifically to work with the B.A.T. Cable Stripper to prepare steel cable belt quickly for splicing. The powerful motor is housed in a wheeled chassis on a frame, with a brake, to allow for quick repositioning of the cable stripper as you work across the belt. The model shown here can be customized with railings to accommodate your maximum belt width.

The 3 kW (4 HP) motor is covered to protect it from dust, environmental elements, and cable hazards while in use.

FEATURES:

- 3 kW (4 HP) motor (660 Nm output torque, 1450 RPM, 50 Hz)
- Can be customized to accommodate any belt width
- Easily repositions along the belt width for uniform cable stripping length and force

SPECIFICATIONS

- Height: 337 mm (13 1/4")
- Width: 356 mm (14 1/4 ")
- Length: 787 mm (31")
- Weight(frame and winch): 102 kg(225 Lbs.)
