

FABRIC REPAIR PATCHES

Fusion Fabric Repair Patches offer an economical, yet durable repair for a quick conveyor belt puncture, gouge or longitudinal-rip repair.

The fabric reinforcement in the patch provides durability and longer-term hold security over standard repair patches. 5 Patches are in each order.

FEATURES:

- Won't damage the conveyor belt
- Allows the belt to be back in service in a matter of hours
- Durable, may last as long as the original belt
- Available in various sizes and widths
- Bonding layer offers excellent adhesion
