

EPDM

FABRIC BELT SPLICE KIT

Fusion Systems provides all the vulcanizing splice materials needed for an EPDM belt splice our customized **EPDM Fabric Belt Splice Kit**. The EPDM (Ethylene Propylene Diene Monomer) Fabric Belt Splice Kit is specially formulated for splicing peroxide-cured EPDM belts with heat resistance ratings for 204 °C – 371 °C (400 °F- 700 °F).

Fusion Systems experts have formulated these splice material compounds specifically for splicing, which means better adhesion and a better-quality, longer lasting splice. Fusion Splice Materials have been proven to work well with leading quality belt manufactures' belts for over a decade.

Buying a custom splice kit provides the following benefits:

- Price is comparable if not lower than most competitors,
- No wasted splice materials,
- No additional handling or transportation required when shipped to your shop or work site,
- No need to store and maintain splicing material inventory,
- No need to monitor splice material expiry.
- Shelf Life of the EPDM Fabric Belt Splice Kit is 3-6 months without refrigeration (20 °C or 70 °F).

Note: Actual contents will depend on your belt specifications and splice requirements.

SPECIAL ORDER

SPECIAL ORDER ITEMS
MAY EXPERIENCE DELAYED
DELIVERY TIME.

Kits are customized-to-order specifically to your conveyor belt specification and splice requirements.

The Fabric Belt Splice Kit is carefully packed and shipped directly to your work site, ready-for-use, with the details marked on the crate exterior.

Please fill out this **Fabric Conveyor Belt Splice Kit Questionnaire** and our experts will customize your splice kit accordingly.

Your EPDM Fabric Belt Splice Kit Typically contains:

- AA-FBCEPDM Red Poly Cover Rubber
- AA-FBGEPM Red Poly Tie Gum
- AA-BFU Unskimmed Breaker Fabric
- AA-HCEPDM EPDM Bonding Agent
- AA-HFPEPDM EPDM Primer
- HST Splice Surface Prep
- Other items: Silicone Release Paper, Cure Card, Splice ID Labels, Cement brushes, Rags

Product Code:

AA - {FSK/SKF - Finger or Step Splice}
- {Belt Width} - EPDM - {Covers}

FULL KIT EXAMPLE:

AA-SKF36-3-330-187X062

DESC: Step splice kit for a 36" 3ply
330 piw belt w/ 3/16 x 1/16 EPDM covers
