

FLAMEPROOF SECTIONAL VULCANIZING PRESS

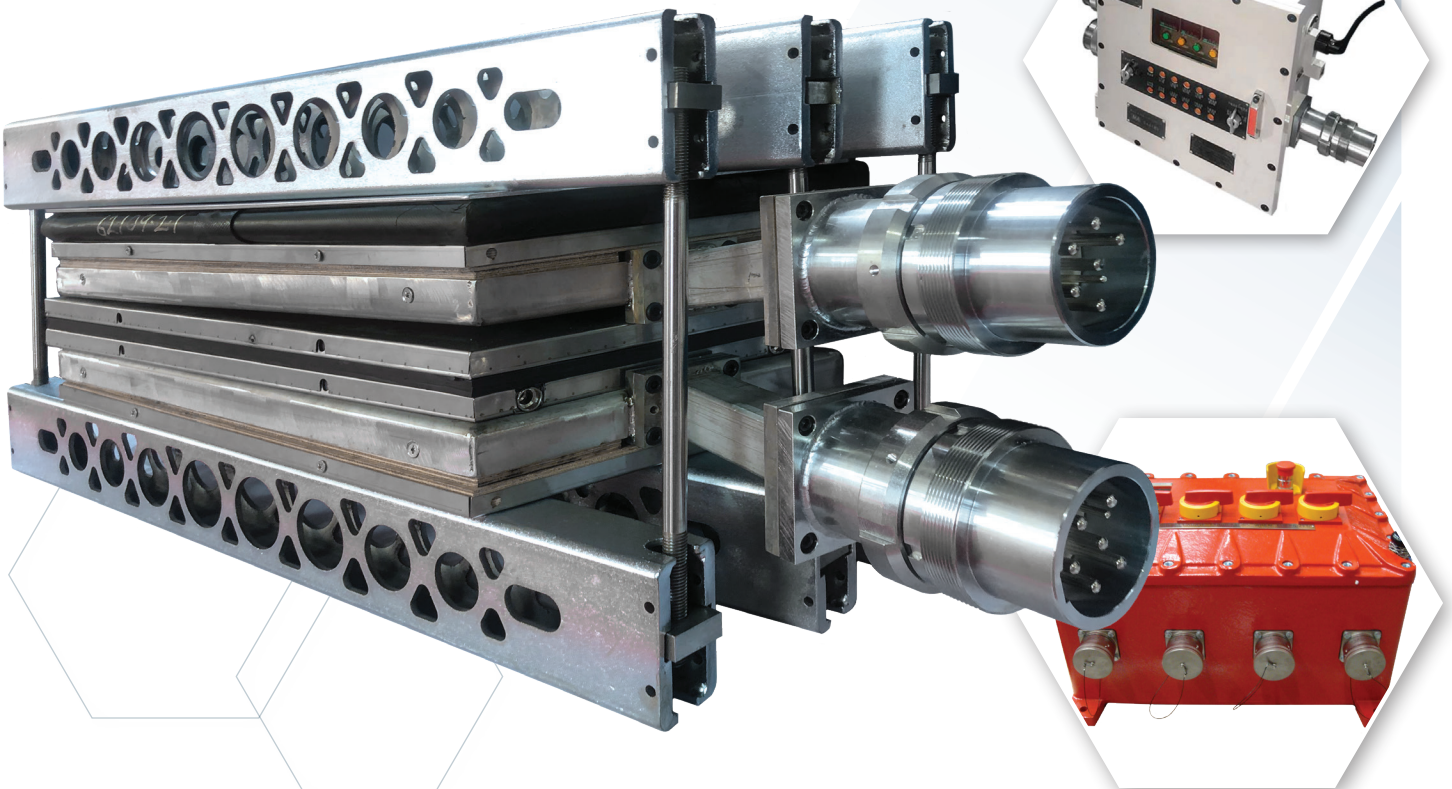

CUSTOM-ENGINEERED AND BUILT SOLUTIONS FOR OVERLAND CONVEYORS

Almex has been manufacturing custom sectional flameproof vulcanizers for safe underground use for over 30 years. Our flameproof presses and control boxes can be ATEX and GOSTR certified.

Each Almex flameproof sectional press is built to your custom specifications and certified externally at each step of the process.

The Almex Flameproof sectional presses feature steel clad beams, fully enclosed platens and connectors and specialized controls.

Contact us to discuss your requirements and how we can assist.
